MEET PEARL & MATHILDA

Meet Pearl the Goose and Mathilda the Cow, the newest additions to Wrendale's much-loved plush collection! Inspired by Hannah Dale's original artwork, these charming characters feature beautiful details, soft textures and plenty of personality.

PEARL
the Goose

Pearl is always in a hurry but somehow never manages to be on time. She is endearingly disorganised and can usually be found rushing around in a flap, feathers flying. She once arrived at a picnic a day too early. However, her heart is as big as her wingspan, and Pearl is always the first to offer help (or biscuits) when they are needed. She has a passion for synchronised swimming, although her performances are sometimes more 'enthusiastic' than synchronised. Her biggest pet peeve is being mistaken for a swan.

MATHILDA
the Cow

Unhurried and thoughtful, Mathilda believes that there is very little in life that can't be solved with a cup of tea and a spot of rumination. A philosopher at heart, she loves to spend her days in the meadow pondering life's big mysteries while chewing the cud. Her friends often seek her calm wisdom, though she has occasionally been known to nod off mid-sentence. In her spare time, she loves singing (she is partial to a bit of Moo-town) and spotting shapes in the clouds.

WEBSTER the Duck

Webster is highly intelligent but is distinctly lacking in common sense. Fluent in Squirrel, Rabbit and Sparrow, he can solve an algebra puzzle faster than anyone you know, but will just as easily forget where he left his pond and have to find a new one. He is never on time but his friends describe him as the life and soul of the party, so no one minds when he turns up late.

VANESSA the Pig

Vanessa is a culinary genius, always experimenting with new recipes and foraging for unique ingredients. Her acorn souffles were the talk of the tree tops after one particularly notable dinner party. She is admired for her perfect skin, which she puts down to her daily mud spas which always leave her with a youthful glow. She loves to entertain and cook for her friends and also loves to dabble in fashion design - often appearing at parties wearing her own creations.

Jack enjoys wild camping & can think of nothing better than sleeping under the stars, telling ghost stories & toasting marshmallows over a camp fire. Always up for a new challenge, Jack has dabbled in metal detecting & once found a paperclip shaped like a dinosaur.

An accomplished pianist, he is very musical and loves to relax with a fine wine whilst listening to classical music. He's particularly partial to a concerto by his favourite composer, Moozart. ELLIOT
the Frog

Elliott is a true gentleman of the pond. A renowned baritone, he has been known to burst into song mid-sentence, and once serenaded an entire picnic after mistaking the rustling of leaves for applause. Offstage, he's surprisingly shy and enjoys long soaks in lily-scented baths, rearranging his bowtie collection and tending his water garden. A natural born leaper, Elliott prefers a slower pace of life and often spends his afternoons sketching dragonflies and sipping mint tea from an acorn cup.

ESMERELDA
the Cat

Esmeralda is a sophisticated feline with a flair for the dramatic. She spends her days lounging in sunbeams & has perfected the art of looking regal while chasing her own tail. Although she appreciates the finer things in life, Esmeralda's guilty pleasure is a cardboard box & she can't resist squeezing into any that she comes across, no matter how small. She loves a cream tea & her idea of a perfect Sunday afternoon would be a walk in the countryside followed by a jam & clotted cream scone in a cosy tea room.

RALPH
the Labrador

Ralph loves to lend a helping paw and is constantly looking for ways to be useful. He is always tidying up any food that he can find, even if it means jumping onto a table to get to it. Bright and playful, Ralph's perfect day would include sniffing out the muddiest puddles for a good roll and then winding down with a nap snuggled up on a lovely clean sofa. He's an excellent runner although rarely wins any races as he's easily distracted by a passing rabbit or interesting smell.
