# FOX UNDER THE MOON

by The Art File

JANUARY  
RELEASE

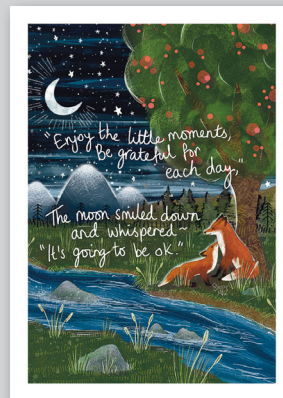

AFFX01

If I could wish upon a star,  
I'd ask to touch the moon,  
for up there in the sky is where  
I could be with you

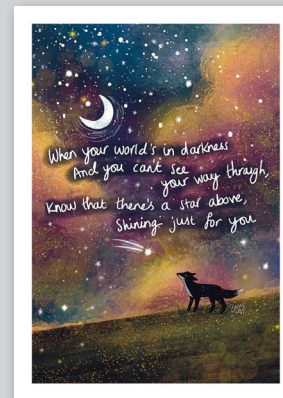

AFFX02

Quietly on the darkest  
nights, the moon and stars  
we'll share, for real friends  
know what matters most,  
is simply being there

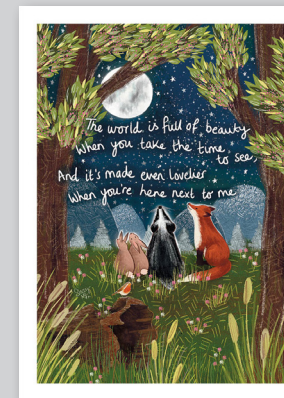

AFFX03

"Enjoy the little moments,  
be grateful for each day"  
The moon smiled down  
and whispered ~  
"It's going to be ok."

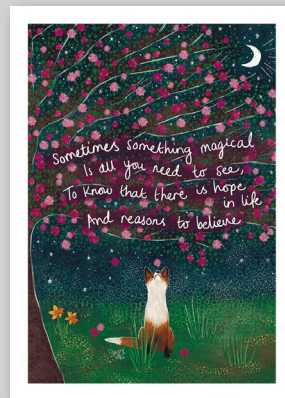

AFFX04

When your worlds in darkness  
and you can't see your way  
through, know that theres a star  
above, shining just for you

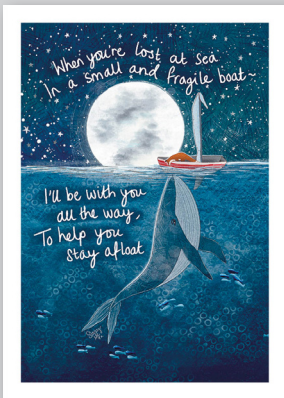

AFFX05

The world is full of beauty  
when you take the time to see,  
and it's made even lovelier  
when you're here next to me

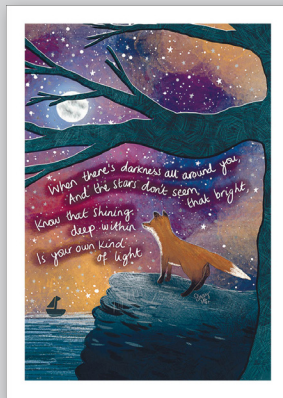

AFFX06

Sometimes something magical  
is all you need to see, to know  
that there is hope in life and  
reasons to believe

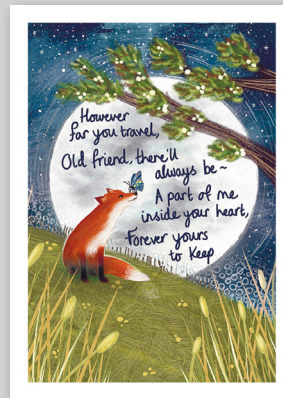

AFFX07

When you're lost at sea in  
a small and fragile boat ~  
I'll be with you all the way,  
to help you stay afloat

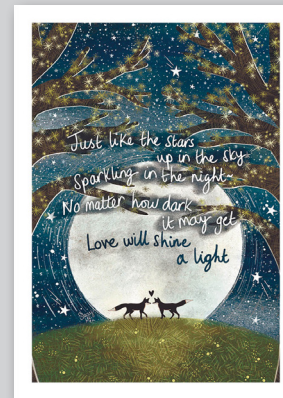

AFFX08

When there's darkness all  
around you, and the stars  
don't seem that bright, know  
that shining deep within is  
your own kind of light

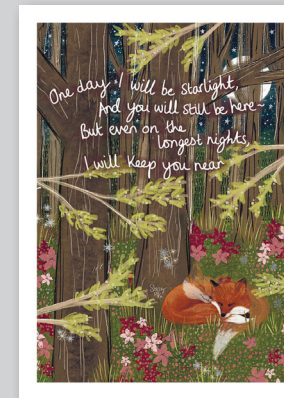

AFFX09

However far you travel, old  
friend, there'll always be ~  
a part of me inside your heart,  
forever yours to keep

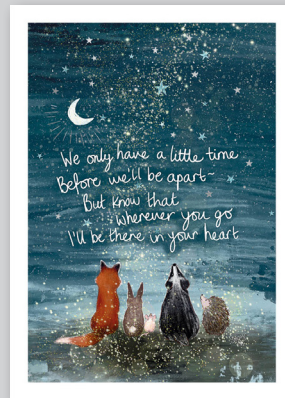

AFFX10

Just like the stars up in the sky  
sparkling in the night ~  
no matter how dark it may get  
love will shine a light

AFFX11

One day I will be starlight,  
and you will still be here  
~ but even on the longest  
nights, I will keep you near

AFFX12

We only have a little time  
before we'll be apart ~ but  
know that wherever you go  
I'll be there in your heart
