He's an excellent runner although rarely wins any races as he's easily distracted by a passing rabbit or interesting smell.

WEBSTER
the Duck

Webster is highly intelligent but is distinctly lacking in common sense. Fluent in Squirrel, Rabbit and Sparrow, he can solve an algebra puzzle faster than anyone you know, but will just as easily forget where he left his pond and have to find a new one. He is never on time but his friends describe him as the life and soul of the party, so no one minds when he turns up late.

In her spare time she likes to collect amusingly shaped pebbles and research her family tree. She loves nature and her perfect day would be a picnic in a flower filled meadow with friends.

Always creative, she loves to crochet & has recently taken up yarn bombing – decorating everyday objects with colourful crocheted creations.

Camilla
the Giraffe

Glamorous Camilla is the envy of all her friends. With her long legs and elegant eyelashes, she graced the giraffe walks of Paris before she was talent spotted by a famous film producer who whisked her away to Hollywood until a mysterious scandal involving an ostrich and a pair of spectacles saw her return to her home savannah. Camilla has since embarked on a new career as an abstract artist and can often be found contemplating a blank canvas or experimenting with colour.

Adele loves a bit of glitz and glamour and truly believes that one can never be overdressed. She is always the first on the dance floor at any party and loves to shake her feathers to Abba's Dancing Queen. Adele also enjoys a spot of gardening and once won first prize for her very large marrow at the local village show. She loves foraging for wild mushrooms and once fell in a pond trying to retrieve a shaggy ink cap. To save her embarrassment she told her friends she had taken up wild swimming.
