## Elliott the Frog

Elliott is a true gentleman of the pond. A renowned baritone, he has been known to burst into song mid-sentence, and once serenaded an entire picnic after mistaking the rustling of leaves for applause. Offstage, he's surprisingly shy and enjoys long soaks in lily-scented baths, rearranging his bowtie collection and tending his water garden. A natural born leaper, Elliott prefers a slower pace of life and often spends his afternoons sketching dragonflies and sipping mint tea from an acorn cup.

## Vanessa the Pig

Vanessa is a culinary genius, always experimenting with new recipes and foraging for unique ingredients. Her acorn souffles were the talk of the tree tops after one particularly notable dinner party. She is admired for her perfect skin, which she puts down to her daily mud spas which always leave her with a youthful glow. She loves to entertain and cook for her friends and also loves to dabble in fashion design - often appearing at parties wearing her own creations.

## Esmeralda the Cat

Esmeralda is a sophisticated feline with a flair for the dramatic. She spends her days lounging in sunbeams & has perfected the art of looking regal while chasing her own tail. Although she appreciates the finer things in life, Esmeralda's guilty pleasure is a cardboard box & she can't resist squeezing into any that she comes across, no matter how small. She loves a cream tea & her idea of a perfect Sunday afternoon would be a walk in the countryside followed by a jam & clotted cream scone in a cosy tea room.

## Ralph the Labrador

Ralph loves to lend a helping paw and is constantly looking for ways to be useful. He is always tidying up any food that he can find, even if it means jumping onto a table to get to it. Bright and playful, Ralph's perfect day would include sniffing out the muddiest puddles for a good roll and then winding down with a nap snuggled up on a lovely clean sofa. He's an excellent runner although rarely wins any races as he's easily distracted by a passing rabbit or interesting smell.

WEBSTER  
the Duck

Webster is highly intelligent but is distinctly lacking in common sense. Fluent in Squirrel, Rabbit and Sparrow, he can solve an algebra puzzle faster than anyone you know, but will just as easily forget where he left his pond and have to find a new one. He is never on time but his friends describe him as the life and soul of the party, so no one minds when he turns up late.

Rosie  
the Rabbit

Rosie is a free spirit with a heart full of wanderlust and a nose for adventure. Her curiosity often leads her to explore new places and occasionally leads her into a spot of trouble... Highly principled, Rosie organises a carrot collection for less fortunate rabbits every Christmas. In her spare time, Rosie listens to Hip-Hop music, though she secretly loves Taylor Swift. Her affectionate nature makes her a beloved companion, always ready for a snuggle.

Gordon is steadfast and reliable and perfect to have around in a crisis. He is loved by all of his friends for being a great listener, but he also has a twinkle in his eye and a great sense of humour. An accomplished pianist, he is very musical and loves to relax with a fine wine whilst listening to classical music. He is particularly partial to a concerto by his favourite composer, Moozart. Gordon is surprisingly light on his feet and loves letting his hair down at a ceilidh.

# Bear

Meet Bear, the cuddliest companion from our much-loved Bear collection, now expanded with charming new designs.

Crafted with sustainability in mind, Bear is made from beautifully soft plush using 100% post-consumer recycled PET plastic bottles for both the outer fabric and inner stuffing. With gentle embroidered eyes and no hard parts, it's suitable from birth, and each Bear features a colourful embroidered logo tag for an extra touch of charm.
