Elliott
the
Frog

Elliott is a true gentleman of the pond. A renowned baritone, he has been known to burst into song mid-sentence, and once serenaded an entire picnic after mistaking the rustling of leaves for applause. Offstage, he's surprisingly shy and enjoys long soaks in lily-scented baths, rearranging his bowtie collection and tending his water garden. A natural born leaper, Elliott prefers a slower pace of life and often spends his afternoons sketching dragonflies and sipping mint tea from an acorn cup.

Vanessa
the Pig

Vanessa is a culinary genius, always experimenting with new recipes and foraging for unique ingredients. Her acorn souffles were the talk of the tree tops after one particularly notable dinner party. She is admired for her perfect skin, which she puts down to her daily mud spas which always leave her with a youthful glow. She loves to entertain and cook for her friends and also loves to dabble in fashion design - often appearing at parties wearing her own creations.

Esmeralda
the
Cat

Esmeralda is a sophisticated feline with a flair for the dramatic. She spends her days lounging in sunbeams & has perfected the art of looking regal while chasing her own tail. Although she appreciates the finer things in life, Esmeralda's guilty pleasure is a cardboard box & she can't resist squeezing into any that she comes across, no matter how small. She loves a cream tea & her idea of a perfect Sunday afternoon would be a walk in the countryside followed by a jam & clotted cream scone in a cosy tea room.

Ralph
the Labrador

Ralph loves to lend a helping paw and is constantly looking for ways to be useful. He is always tidying up any food that he can find, even if it means jumping onto a table to get to it. Bright and playful, Ralph's perfect day would include sniffing out the muddiest puddles for a good roll and then winding down with a nap snuggled up on a lovely clean sofa. He's an excellent runner although rarely wins any races as he's easily distracted by a passing rabbit or interesting smell.

Gordon
the
Highland Cow

Gordon is steadfast and reliable and perfect to have around in a crisis. He is loved by all of his friends for being a great listener, but he also has a twinkle in his eye and a great sense of humour. An accomplished pianist, he is very musical and loves to relax with a fine wine whilst listening to classical music. He is particularly partial to a concerto by his favourite composer, Moozart. Gordon is surprisingly light on his feet and loves letting his hair down at a ceilidh.

A natural leader, she likes to give rousing speeches to her fellow woodlanders and, between naps, is a passionate campaigner for road safety. Mabel's favourite hobbies are needlework and sketching and she loves a good game of scrabble. She takes a keen interest in astrology and considers herself a typical Aries.

Jack
the Donkey

Jack is a gentle soul whose kind & caring nature makes him popular with all who know him. He has a keen interest in geology & loves to look for interesting rock formations in his spare time. Jack enjoys wild camping & can think of nothing better than sleeping under the stars, telling ghost stories & toasting marshmallows over a camp fire. Always up for a new challenge, Jack has dabbled in metal detecting & once found a paperclip shaped like a dinosaur.

Beryl loves to be outdoors and has recently taken up Nordic walking which keeps her busy most weekends. Known as a bit of a thrill-seeker, she loves white-water rafting and has always wanted to try her hoof at parkour. Highly sociable, Beryl was the founding member of her local 'knit and natter' group which once led a successful campaign to make socks for cold penguins.

WEBSTER
the Duck

Webster is highly intelligent but is distinctly lacking in common sense. Fluent in Squirrel, Rabbit and Sparrow, he can solve an algebra puzzle faster than anyone you know, but will just as easily forget where he left his pond and have to find a new one. He is never on time but his friends describe him as the life and soul of the party, so no one minds when he turns up late.
